# REVIT ARCHITECTURAL TECHNOLOGIST INTERMEDIATE

Edmonton office

Lemay + Toker is always looking for top talent. Our vision is to be a world leader in the design of sustainable living environments. Join our integrated team of passionate designers

## What you will accomplish with us

Passionate about architecture and interior design, this position requires a can-do approach to both public sector and private clients. Specific responsibilities include:

- Produce highly detailed technical designs and drawing specifications for all stages of design using Autodesk REVIT and Cloud-Based Collaboration work process
- Manage, coordinate, and submit documents such as plans and specifications, construction details, and permit application
- Collaborate with Design Team to ensure project success and identify specific
- Coordinate and communicate clearly, concisely, and professionally with Design Team, sub-consultants, and municipal authorities
- Ensure compliance with provincial regulations and adhere to Building Codes
- Research existing building documentation (plans, reports, etc.)
- Contribute to the preparation of construction and planning documents.

## What you need

- Professional diploma in Architectural Technology or degree in Architecture
- Experience in a range of large, multi-disciplinary project types, including Commercial, Interior fit-ups, and sectors to include: Corporate, Public, Health, Hospitality, Institutional
- Between 5 and 7 years of relevant experience in commercial projects
- Preparation of 3D Visualization (Renderings) with 3DS Max + VRAY + Enscape considered an asset
- Advanced knowledge of BIM and how it can affect design projects
- Proficient in MS Office and Adobe Suite
- Team player, independent and proactive, and able to work under tight deadlines

## What you need

Lemay makes its employee development and well-being a priority. Part of that is offering the following advantages:

- High-visibility projects
- Competitive salary
- Group insurance plan
- Fast-paced, creative learning environment
- Collaborative, transdisciplinary studios.

Please note that only candidates selected for an interview will be contacted.

## Our workspace

202-10526 Jasper Ave, Edmonton, AB
